THIS IS TO CERTIFY THAT

TAPIRapps

has part-funded the purchase and protection of

390 acres

**of threatened tropical forest in Ecuador
situated within the Podocarpus National Park**

August 2013

This parcel of rainforest is now a nature reserve owned and protected by WLT's Ecuadorian partner, Naturaleza y Cultura Ecuador. The reserve ranges between 1,040 and 1,960 metres above sea level in an area where the Andes meets the Amazonian basin; it is home to many rare and endemic species, including Mountain Tapir.

Thank you for taking Positive Action.
